

**BOARD OF EDUCATION GOALS**  
**2009-2010**

1. Increase attainment of the mastery level by our students.
2. Continued development of curriculum mapping throughout the 2009-2010 school year with regular Board updates on progress.
3. Completion of the Board of Education procedure handbook by May 2010.
4. Network with local school districts for sharing of ideas and information. Initiate contact by December 2009.
5. Develop and implement Board policies and procedures specifically identified as necessary by the annual internal audit report by April 2010.
6. Maintain facilities and grounds and provide quarterly reports to the Board.
7. Improve communication between the community and the Board of Education, specifically using the newsletter and website.
